

## AC Inverter Battery Pack

### Features:

- **Converts DC into portable AC**
- **Constant Battery Voltage Monitoring**
- **Visual and Audible Warning and Alarms**
- **100% portable for field use**
- **Eliminates the need for extension cords**
- **Multi-Compartment Carry Bag**
- **Can be used with the *Industronic LED Film Viewer* to make the viewer portable.**  
**(± 40 Min Full power and 2 Hrs Standby)**

## Technical Data

Description	Clarification	Condition
Battery Type		12 Volt 7A/Hr Sealed Lead Acid
Battery Run Time		5Hrs at standard use <b>*Based on using a MPI Yoke of <math>\leq</math> 600W</b>
Inverter		600W Modified Sine Wave - 220VAC <b>*1200W Surge Power (Few Seconds)</b>
Maximum Current "ON" Time		30 Seconds
Operating levels	Low Voltage Alarm	10.5V $\pm$ 0.5V DC
	Cut-Off	10V $\pm$ 0.5V DC
	Over Voltage Cut-Off	15V $\pm$ 0.5V DC
12 Volt Intelligent Battery Charger	Input Voltage	AC 95V - 260V
	Output Voltage	DC 12V
	Current	7A
Weight		6Kg
